- Gain individualistic growth by becoming self-sufficient.
- Stay in direct touch with the ever-evolving technology and marketing trends

**System Research Society ( SRS )**, an NGO registered in Delhi, advocates overcoming of social and economic barriers to help individuals reach their desired goals. Propelled by meaningful social interactions, SRS vouches to achieve sustainable change in the society.

**Statice Tech**, a technology company based in Bangalore, is the vision behind the brand **STATICE**. Statice has divided its business into two verticals of Emerging Technologies and Digital Marketing.

SRS has partnered with Statice and introduced the **Strategic Alliance Program (SAP)**. SAP is aimed at promoting job creation, entrepreneurship, creativity and encourage the formalization and growth of micro, small- and medium-sized enterprises. SAP is promoting sustainable development as part of the United Nations **Sustainable Development Goals (SDG)** - Goal no. 8 - working towards **Decent Work & Economic Growth**.

SAP is aimed at individuals and organizations looking at sustained economic growth and self-sustainability, especially under the dark times of COVID19. This provides an opportunity to join hands and work towards growth using the technology products and marketing tools under the program.

**The SRS & Statice Strategic Alliance Program** provides a platform of engaging opportunities by being part of a dynamic work environment.

The program benefits you to :

- Work at your own pace.
- Learn to be self-sufficient & self- sustainable.
- Gain knowledge on the latest technologies and marketing trends.
- Earn while you upskill yourself.

Come be a part of the growing SAP family and let's grow together.
